TO THE ASSISTANT COMMISSIONER FOR PATENTS :

General Electric Company is the assignee of the entire interest in the above-identified patent application and of the invention claimed therein, according to the Statement Under 37 CFR 3.73(b) below.

General Electric Company disclaims the terminal part of any patent granted on the above-identified application which would extend beyond the date on which U.S. Patent Number 6,331,365 would expire if all maintenance fees therefor were timely paid. General Electric Company hereby agrees that any patent so granted on the above-identified application and any continuation application thereof shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent No. 6,331,365, this agreement to run with any patent granted on the above-identified application and any continuation application thereof and to be binding upon the grantee, its successors or assigns.

The undersigned is empowered to act on behalf of General Electric Company.

- ☒ The statutory \$110.00 fee for a disclaimer is requested to be charged to Deposit Account
No. 07-0868

The Assistant Commissioner is also authorized to charge any underpayment or credit any
overpayment to Deposit Account No. 07-0868.

STATEMENT UNDER 37 CFR 3.73(b)

General Electric Company, a corporation, certifies that it is the assignee of the patent application identified above by virtue of an assignment from the inventor(s), which was recorded in the Patent and Trademark office at

Reel 9587 Frame 0306

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
